MESSAGE

I am glad to know that, the grand couple, Sri Gattu Narayana and Smt. Sujana are celebrating and cherishing the-Golden Jubilee of their married life, the monument of love they built together with abundance of love and affection. It would be apt to use the proverb "Marriages are made in heaven" for this ideal couple. My father late Sri. Duddilla Sripada Rao and my mother Smt. Jayasree, have always had high regards for this grand couple.

Though, they spend most of their life in Baroda and Mumbai, their roots in the shape of literature and Social bonding holds firm in Manthani. Smt. Sujana had tuned herself and has played exactly to the role of a daughter-in-law in Gattu family with utmost devotion. She has fulfilled the aspirations of the family without leaving any stone unturned for 50 years. Her qualities of politeness combined with endurance made the mammoth task look easy. Her successful completion of Masters Degree in Music while taking care of house hold duties adds one more feather to her cap.

Sri Gattu Narayana Guruji is an encyclopedia. His contribution to his mother land Manthani in Karimnagar district of A.P. in spiritual Socio-literary field, his goal orientedness with ever growing spiritual enthusiasm have made all his endeavours a grand success. His teachings have enlightened numerous people all over the world. In this journey, the contribution of his wife Smt. Sujana is immense.

In the present scenario of brittle martial lives, this couple's relationship is something which is worth emulating. It is indeed a marriage of true minds which has withstood all tempests of life. I whole heartedly wish them many more marriage anniversaries and pray for their long healthy life.

(D. SRIDHAR BABU)
