

10. DEDICATED PARTNERSHIP

Respected Shri Narayanbhai and Sujanabhabhi

Preeti and I have been delighted to know of your Golden Jubilee Marriage Anniversary being solemnized on December, 2, '12.

Over the years that have gone by : the gains of your partnership with its versatile reach, access and approach by one and all- has been touching and impacting many lives in a wider spectrum of our Society.

Indeed, be it a context similar to that of a chariot driver in the epic of Mahabharata on the verge of a collapse or an intense personal dilemma, or a business vicissitude that defies all canons of sanity or governance in public life : at all times, you have managed to converge the 'micro' with a clear understanding of the 'macro' vision-

This would not have been workable, but for your unbreakable resolve to serve- one and all, all the time- even without any formal engagement.

Narayanbhai's value based engagement with institutions : coupled with foresight, deep understanding and sacrifice would have been incomplete without wise counsel and compassion- from Sujanabhabhi.

My gratitude, on behalf of one and all for the continuing contributions - of your dedicated partnership.

I'm confident, in the times to come :

You will both embrace yet greater heights and reach new milestones.

Deepest of Love, prayers for the best of health and well being, joy and happiness in the years to follow.

Dipesh Shroff (Managing Director, Excel CropCare Ltd., & Hyderabad Chemicals)

Preeti Shroff (Executive Director, Agrocel Industries Ltd.,)
